FUNDRAISE FOR LIVES This Christmas

SECRET SANTA WITH A TWIST

Instead of traditional gifts, consider a Secret Santa where each person donates the usual gift amount to LIVES. This adds a charitable spirit to your team's celebrations while making a meaningful impact.

FESTIVE BAKE SALE

Host a Christmas-themed bake sale in the office, where staff can bring homemade treats to sell. Proceeds would go directly to LIVES, bringing both festive fun and support for our cause.

ADVENT CALENDAR FUNDRAISER

Create a donation advent calendar, where each day in December represents a donation amount or a special team event. Encourage daily contributions to keep the spirit of giving going all month.

VOLUNTEER DAYS

We welcome your team to volunteer with LIVES during December, whether through community outreach or helping with festive events.

CHRISTMAS CARD DONATIONS

Instead of traditional Christmas cards, why not donate the card budget to LIVES and share e-cards instead? It's a meaningful way to spread festive cheer without the environmental impact of physical cards.

GIFT WRAPPING FOR A CAUSE

Set up a gift-wrapping station where employees can volunteer to wrap presents for donations to LIVES. This is a fantastic way to raise funds while adding a festive touch to the season.
