LIVES.

"Hi I'm Defib Dan and I'm here to tell you about my charity, LIVES. We are a local charity dedicated to saving lives in our communities. Our volunteer Community First Responders are specially trained to attend 999 medical emergencies and provide critical first aid, often arriving before an ambulance. Every year, LIVES volunteers help thousands of people in need, bringing comfort, support, and lifesaving skills right to their doorsteps. With your support, LIVES can continue to equip and train responders to be there when it matters most. Together, we can help save lives across Lincolnshire!"

IN DECEMBER 2023 LIVES VOLUNTEERS ATTENDED 260 PATIENTS! 16 OF THOSE WERE UNDER 18.

Get into the festive spirit and design Defib Dan a Christmas jumper and fill in his life-saving word search. Plus, don't miss our Christmas Card Competition— a £2 suggested donation to enter for a chance to have your design featured as LIVES' official Christmas card for 2025!
